

MADS Brand Voice Guide

BRAND COLORS · EMAILS · INSTAGRAM · WHATSAPP

Brand Colors

	Hex	Name	Usage
	#0A3B5E	Primary Navy	Dominant background across all designs
	#AE67B7	Primary Purple	Highlight bars, titles, logo
	#BB85CE	Secondary Purple	Softer accents, illustration elements
	#4682B4	Secondary Blue	Accent circles, decorative shapes
	#6EA0CF	Accent Blue	Highlight bars, button outlines
	#E4E2DD	Neutral / Body Text BG	Backgrounds, subtle dividers
	#FEFEFE	Off-White	Logo text, light contrast details

Brand Fonts

Two font pairings are used across MADS materials — Standard-ish for everyday content, Dealroom for Deal Room–branded materials.

STANDARD FONTS

TITLES

Telegraf

TEXT / BODY

Garet

Used for the body of emails, captions, and everyday MADS communications.

DEALROOM FONTS

TITLES

Shrikhand

BODY TEXT

JetBrains Mono

Used across Deal Room event materials, decks, and signage for a distinct, data-forward look.

General Guidelines

- Emails always close with the standard MADS signature block (name/title, "MADS Association Executive Team," AUC tagline, contact email/phone, social links)
- Tone is warm but professional — "Dear MADS Community" / "Dear MADS Students" as standard openers
- Emojis used sparingly in emails (mostly none, occasional 🎉 in casual announcements); used more freely in Instagram captions (👁️ ✨ 📍)
- Instagram captions lean punchy and short-lined — lots of one-line paragraph breaks for rhythm, not dense blocks
- Deadlines, dates, locations, and links are always bolded/isolated on their own line for scannability, in both emails and captions

NOTE ON EMAIL SENDING

Directors don't send emails under their own name — emails go out under the Executive Team (President/VP/Treasurer/relevant officer), with a line crediting the responsible director(s):

```
Best regards,  
[President/Treasurer Name] - [Title]  
On Behalf of [Director Name(s)] - [Director Title]  
MADS Association Executive Team
```

SURVEY / FEEDBACK

Dear MADS Community,

We're finalizing this semester's event calendar over the next 24 hours, and before we lock it in, we want to hear from you. 🐼

We've put together a quick survey (seriously, under 2 minutes) to find out:

Which types of events you're most excited about: company talks, hackathons, workshops, networking, socials, and more

The industries and companies you'd love to see us bring to campus

What's actually stopped you from attending events in the past

That one event you've always wished MADS would organize

Whatever you tell us will directly shape what we prioritize this semester, so if there's something you've been hoping to see, now's the time to say it.

Please let us know if you have any questions or if there's any way we can support you!

Best regards,

Khadeejah Iraky - President

RECAP / RECORDING

Dear All,

I hope you are all enjoying the summer break. As you may remember, we hosted a webinar about Islamic Finance with Harris Irfan titled: God's Money, Fix the Money, Fix the World. Harris Irfan is one of the world's leading Islamic finance bankers. He is the founder and managing partner of Cordoba Capital, an independent Islamic finance advisory firm, and was formerly global head of Islamic finance at the Barclays Group. He is an advisor to Onramp MENA and is the author of Heaven's Bankers: Inside the Hidden World of Islamic Finance. In case you weren't able to attend, please find the recording at this link.

As always, please don't hesitate to reach out with any questions or concerns.

Best regards,

COMMUNITY / GROUP INVITE

Dear MADS Students,

We are excited to invite all full-time undergraduate students in the Mathematics, Actuarial Science, and Data Science majors to join the official MADS General Assembly WhatsApp Group!

This group serves as the main communication platform for the MADS student community. It will be used to share academic announcements, event/workshop updates, professional and internship opportunities, and to build a safe space for academic exchange and community engagement.

Group Rules:

- Be respectful and inclusive
- No spam or unrelated forwards
- Ask questions, share knowledge, and support one another

Link: [link]

P.S. The group is for MADS Majors students only. Please only join if you are officially an undergraduate student in Mathematics, Actuarial Science, or Data Science at The AUC, and only share the link with other MADS students.

Best regards,

BOOTCAMP / PROGRAM OPPORTUNITY

Dear MADS Community,

The MADS Association is excited to share an outstanding opportunity: the AI-Natives Bootcamp, organized by Finaira.

This edition focuses on Agentic AI in FinTech. Over three days (June 26-28, 2026), 30 selected senior undergraduates graduating in 2027 will work in teams on live Finaira use cases — from problem framing and solution architecture to building a working prototype and pitching to Finaira engineers and leadership.

Participants will:

- Attend curated sessions led by Finaira's subject matter experts
- Design, prototype, and present AI systems from scratch
- Earn a Finaira AI-Native badge and certificate
- Receive fast-track consideration for Finaira's talent pipeline

Who can apply? Senior undergraduate students graduating in 2027.

⚡ Only a few spots. Deadline is June 14, so apply now.

HACKATHON / CHALLENGE PARTNERSHIP

Dear Mathematics, Actuarial, and Data Science Students,

The MADS Association is thrilled to announce that we have joined forces with AUC VLab for the upcoming InsurTech Challenge 2026!

This is a premier hackathon designed to build tech-driven solutions for the Egyptian insurance industry. We are calling on our community of students and alumni to step up and showcase their skills.

While all are welcome, we strongly recommend this challenge for:

- Actuarial Science Students (Juniors, Seniors & Alumni)
- Data Science Students (Seniors & Alumni)

 Duration: April 18–21

Extended Deadline: We have secured an extension for the MADS community! You now have until Wednesday at 5:00 PM to apply.

Apply here: [\[link\]](#)

Don't miss out — this is your chance to make an impact in Egypt's insurance industry. 🔥

Best regards,

WORKSHOP INVITE

Dear MADS Students,

We're taking a brief break from the formulas and models this Sunday for something a bit more fun. We're hosting a hands-on Origami & Geometry Workshop, and we want the entire community there!

The goal is to move beyond the abstract — breaking down the geometry behind origami, then immediately putting that math to work as we fold together.

When: Sunday, April 26

Time: 4:30 PM – 8:00 PM

Where: The Waterfalls

Sign up [here](#). Seats are limited!

No matter what your major is or how much experience you have with origami, come join us and get your hands on some colored paper.

See you at the Waterfalls!

Best,

Khaled Habashy - President

INDUSTRY TALK INVITE

Dear MADS Community,

Think Business. Speak Data. Be There!

You are invited to attend Bridging Data and Business: Transforming the Mindset of the Data Generation, organized and hosted by MADS.

Join us for an inspiring talk with Ahmed Abouliesh, Head of Data Analytics and Business Intelligence at GP Corp, as he explores how the new generation can bridge the gap between data and business.

📍 Location: HUSS P071

📅 Date & Time: Saturday, October 19th, 6:00 PM

Please fill out this short RSVP form to confirm your attendance. Seats are limited.

RECRUITMENT / CALL-TO-ACTION

Director Recruitment for the 2026–2027 academic year is now open. ❤️

Some of the best things MADS has ever done started with a simple idea.

A workshop someone wanted to organize.

A competition someone thought would be fun.

A podcast, an initiative, an event that seemed impossible... until someone decided to make it happen.

That's what being a MADS director is about.

Not just holding a position.

Building something you're proud of.

Your ideas.

Your impact.

Your year.

We can't wait to see what you'll build. ✨

AWARENESS / CAMPAIGN

Ever heard of actuarial science? 🏢

Most people haven't, and that's exactly the problem.

We're MADS AUC, the Mathematics, Actuarial & Data Science Association, and we're launching an awareness campaign to shine a light on one of the most in-demand careers you've probably never considered.

Actuarial science touches almost every industry: insurance, reinsurance, consulting, even government bodies like FRA and the Ministry of Finance. The demand is huge, the market gap is real, but most students never even consider it simply because no one introduced them to it.

That's where we come in. 🙌

Stay tuned. 👁️👁️

Be an actuary!

EVENT RECAP / THANK-YOU

That's a wrap on MADS' Deal Room! A one-day event where students had to attend real startup pitches, evaluate their performance and come up with VC investment portfolios, all whilst under real time pressure and utilizing AI tools to the max.

We would like to firstly thank our judging panel, starting off with the legendary Dr. Ali Hadi. Followed by Dr. Mahmoud Khalifa (CI Capital) and Ayman Tanbouly (Exits MENA), both of which exposed students to the rigorous and intense industry standards on which they will be assessed.

We would like to congratulate the winners for their great performance under pressure:

- ☐ 1st Place: [Team] — [Names]
- ☐ 2nd Place: [Team] — [Names]
- ☐ 3rd Place: [Team] — [Names]

3. WhatsApp

No fixed template. Directors and members can send freely, as long as it follows the general assembly group rules: be respectful and inclusive, no spam or unrelated forwards, and never share internal MADS information outside the directors group.
